Pet and Property Owners release all organizers and volunteers of the Smyth County Humane Society from liability relating to all aspects of the "Fences for Fido" building event to be held with the permission of the Pet Owner and Property Owner (if applicable) at the address listed above.

I understand that the goal of the "Fences for Fido" building event is to construct a dependable fenced enclosure or dog trolley that will provide a secure alternative to chaining a dog, penning a dog in a small space, or allowing the dog to run loose.

I agree not to do any of the above once the building event is completed.

I agree to allow Smyth County Humane Society to build a fenced enclosure or dog trolley at the address above.

I agree to pay \$_____ towards the cost of construction.

I agree to contribute _____ hours towards the construction in conjunction with the volunteers.

I agree to prepare the property by relocating the pet during construction (if requested), cleaning up pet feces, and removing any items or debris that would inhibit construction.

I release Smyth County Humane Society from all liability resulting in personal injury, pet escape or injury, durability of structure, and any other related liability.

I understand that Smyth County Humane Society will remove the fenced enclosure or dog trolley if the pet owner/tenant moves or obtains new unaltered pets, or if the dog(s) die.
